Spread It Around

By Deborah J. Sergeant

Have you ever blown the fluff off a dandelion?

It's fun to watch the white fluff float away.

It's like blowing puffy, white clouds.

The fluff is made of seeds. Each one can grow into another dandelion.

God gave all plants this talent! Each plant makes many seeds to grow many more plants.

We can be like a dandelion by spreading God's message to others.

Romans 10:15 says that it is a beautiful thing when we spread the gospel of God's love and peace to others.

You can spread the good news of God's love, just like the dandelion fluff spreads more dandelions.

**God created dandelions to spread
their seeds in the wind**
(see Genesis 1:11).
